

# Product fiche

Delegated Regulation (EU) 65/2014

|                                                           |             |
|-----------------------------------------------------------|-------------|
| Supplier name or trademark                                | De'Longhi   |
| Model identifier                                          | BS 965T MAC |
| Number of cavities                                        | 2           |
| <b>Cavity 1</b>                                           |             |
| Energy Efficiency Index                                   | 94,3        |
| Energy Efficiency Class                                   | A           |
| Energy consumption per cycle (conventional mode)          | 0,92 kWh    |
| Energy consumption per cycle (fan-forced convection mode) | 0,82 kWh    |
| Heat source                                               | Electric    |
| Volume                                                    | 76 Litres   |
| <b>Cavity 2</b>                                           |             |
| Energy Efficiency Index                                   | 90,7        |
| Energy Efficiency Class                                   | A           |
| Energy consumption per cycle (conventional mode)          | 0,68 kWh    |
| Energy consumption per cycle (fan-forced convection mode) | - kWh       |
| Heat source                                               | Electric    |
| Volume                                                    | 47 Litres   |

Model placed on the Union market from 27/10/2025.

**EPREL registration number:** 2509701
